The inspection is a minimum property maintenance inspection made exclusively for the use of the municipality in determining the premises' compliance with the Plains Township Zoning Ordinance. This permit confirms that the use of the property is in compliance with the zoning district. The inspection is limited to observations readily visible without moving or removing any item. Confined spaces, such as crawl spaces or attics are not inspected. Furnishings are not moved. Concealed, internal or hidden damage or defects will not be observed.

The heating, air conditioning and water heater systems are not inspected. It is the owners responsibility to ensure they are in safe, operable condition. The overall condition of the roof and roofing materials are visually inspected from the exterior at ground level. This list shows commonly found violations. It is NOT intended to be a comprehensive list of all code violations that could occur. Those items underlined below are the most common items requiring correction.....If you have questions about a specific situation, please call 570-829-3439 ext. 4141.
